## **PREFACE**

### **INDEX TO DEFENSE LAW JOURNAL Volumes 28 through 34**

---

The original INDEX TO DEFENSE LAW JOURNAL covering materials contained in Volumes 1 through 17 was published in 1969. Thereafter, supplements in the form of pocket parts were provided each year to maintain the cumulative nature of the Index. In 1979, a second bound INDEX TO DEFENSE LAW JOURNAL was issued for Volumes 18 through 27 and that Index was supplemented annually by pocket parts delivered each year with the final Issue.

Beginning in 1982, the Supplement to the 1979 Index Volume has been published in a separate soft-cover book. The references in this 1985 Edition are to materials in Volumes 28 through 34. New, cumulative editions of this Index will be issued annually to add references to the year's accumulation of subject matter.
